Annual Report and Financial Statements
PAROCHIAL CHURCH COUNCIL OF NORTHAW AND CUFFLEY
for the year ended 31 December 2024

Administrative Information

The Parish of Northaw and Cuffley is part of the Diocese of St Albans within the Church of England. The correspondence address is The Church Office, St Andrew's Church, Plough Hill, Cuffley EN6 4DR.

The Church of England has two churches in the parish: the parish church of St Thomas a Becket, Vineyards Road, Northaw, Hertfordshire EN6 4NW and the church of St Andrew, Plough Hill, Cuffley, Hertfordshire EN6 4DR.

The Parochial Church Council (PCC) is a corporate body established by the Church of England and operates under the Parochial Church Councils (Powers) Measure 1956 and the Church Representation Rules.

The PCC is registered as a charity with the Charity Commission, Registered Number 1130327, under the name of 'The Parochial Church Council of the Ecclesiastical Parish of Northaw and Cuffley'. Its registered objects are 'Promoting in the ecclesiastical parish the whole mission of the Church'.

PCC members who have served at any time since 1 January 2024 until the date of approval of this report are:

Ex-Officio Members

Incumbent: The Reverend Chris Kilgour, Vicar (Chair)

Churchwarden: Doreen Sheekey

Representatives on

the Deanery Synod:	Anne Stokes	To 22 nd January 2024 (deceased)
	Kathleen Bagguley	From 12 th May 2024

Elected Members:

Kathleen Bagguley	To 12 th May 2024 (elected to Deanery Synod)
David Hall	
Gill Hall	
Kay Keys	
Daniel Jackson	From 12 th May 2024
Ann Robinson	
Chris Shingles	
Kathy Shingles	
Angela Semakula	
Gill Stevenson	To 12 th May 2024
Lesley Stringer	From 12 th May 2024

PCC Officers

Treasurer: *Position vacant*

PCC Secretary: Chris Shingles

Structure, governance and management

The method of appointment of PCC members is set out in the Church Representation Rules. The membership of the PCC consists of the Vicar, churchwardens, Deanery Synod representatives and members elected by members of the congregation who are on the electoral roll. All those who regularly attend our services are encouraged to register on the Electoral Roll and stand for election to the PCC.

The PCC members are responsible for making decisions on all matters of general concern and importance to the parish, including deciding on how the funds of the PCC are to be spent.

The vicar, with the support of the PCC, was able to take a period of Extended Study Leave from July to October.

The full PCC held five Ordinary Meetings during the year.

Aim and purposes

The primary objective of the Parochial Church Council (PCC) is the promotion of the Gospel of Jesus Christ according to the doctrines and practices of the Church of England. The PCC has the responsibility of co-operating with the Vicar, the Reverend Chris Kilgour, in promoting in the ecclesiastical parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical. The PCC is also specifically responsible for the care and maintenance of the churches of St Thomas a Becket, Northaw and St Andrew, Cuffley.

Objectives and Activities

The PCC is committed to enabling as many people as possible to worship at our churches and to become part of the parish community in Northaw and Cuffley. The PCC maintains an overview of worship throughout the parish and makes suggestions on how our services can involve the many groups in our parish. Our services and worship put faith into practice through prayer and scripture, music and sacrament.

When planning activities for the year we have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. In particular, we try to equip ordinary people to live out their Christian faith in the parish community and beyond, through:

- Worship and prayer; learning about the Gospel; and developing their knowledge and trust in God – Father, Son and Holy Spirit.
- Provision of pastoral care for people living in the parish and beyond.
- Missional and outreach work in the parish and beyond.

To facilitate this work, it is important that we maintain the fabric of the two churches. During 2024, some of the work highlighted in the 2020 quinquennial surveys were carried out at both churches.

Major Building Works

During 2024, the cracks in St Thomas continued to be monitored, and the movement increased over the year. The scale of the remedial work is not yet known, but will involve significant costs.

During 2024 plans were put in place to reorder St Andrew's. This includes removal of pews and the internal porch, installation of a new floor with under-floor heating, a glass porch, and better accessibility throughout the building. Work started in March 2025 at a cost of around £160,000 + VAT.

Electoral Roll

At the APCM in 2024, there were 82 entries on the roll (76 resident, 6 non-resident).

Worship and Prayer

Average attendance on ordinary Sundays during 2024 was 35 adults and ten children (under 16). This matches the 2023 figures.

The Sunday School continued to meet during 10.30am services at St Andrew's, Cuffley, meeting in the Undercroft. This continues to prove popular with parents and children, and is a key area for growth. Online streaming of services continued throughout 2024, and will be an ongoing part of the ministry of the church.

The midweek service of Morning Prayer continued in 2024, this regularly attracts around 16 people.

Deanery Synod

During the year one member of the PCC, as well as the vicar (Rural Dean), sat on Cheshunt Deanery Synod. This provides the PCC with an important link between the parish and the wider structures of the Church of England.

Celebrating life events

As well as our regular services, we help our community to celebrate and thank God at the milestones of the journey through life. In 2024, 1 child was baptized in the parish. During the year, there were 2 marriages in our churches. In 2024 we conducted 6 funerals in our churches.

Pastoral Care

The prayer chain, comprising a number of committed parishioners, responds to requests from those in need. The pastoral team meets regularly to consider and act upon the needs of those requiring help.

Lay members and the Vicar make visits to the sick, bereaved and others needing pastoral support. Holy Communion is distributed by those authorised to sick and housebound parishioners in their homes.

Social and community events

Various committees organized a range of successful social and fundraising events during the year, all enjoyed by church members, their friends and the wider community.

The Undercroft is hired out to many groups, mainly for secular purposes, providing links between the church and the wider community and also generating income.

The Coffee Shop held in St Andrew's church has continued to be popular and well supported (by churchgoers and others); it provides a valuable service to the community. The Coffee Shop meets weekly for most of the year.

Mission and Outreach

In 2019, the parish identified its vision for the future and published an action plan to support it. Our aim is to double the average Sunday attendance by the end of December 2025. While we have not managed to complete all of our planned actions, progress through the plan has been good; the PCC will be looking at a new action plan in 2024.

Our partnerships with both the primary schools in the parish remained strong. The vicar has visited Cuffley School (not a church school) to teach on Easter, and they held their KS2 carol service in St Andrew's Church at the end of the Christmas term; the vicar continues to build relationships with the school. We have also begun to develop a relationship with a pre-school based in Northaw.

Northaw C of E Primary School are invited to begin each week with a service at St Thomas, as part of our Fresh Expression, and they also use the building for end of term services, school visits, and other events. The PCC is involved in the governance of the school though the foundation governors it appoints.

Our "pop-up nativity" in December 2024 was well received by all who attended.

Helping those in need is a further demonstration of our faith. At our Harvest Festivals and other times a quantity of food was donated for the Broxbourne Foodbank, to help local people in crisis.

Communication

We continue to update the website regularly, and to use social media to publicise events and services.

During the week, there are emails sent to those on our contact database. The main email (usually sent on Fridays) is an update email containing news and notices for the week, as well as links to our online services. Other emails are sent as required.

Church Family

We remain thankful to the many members of the church family who work so hard to make our church the welcoming, lively and vibrant community it is. In particular we want to thank our churchwardens and members of the PCC for their tireless work and their valuable contribution to our mission and ministry.

Safeguarding

We have continued the process of reviewing our policies and have ensured that the PCC complies with the duty under section 5 of the Safeguarding and Clergy Discipline Measure 2016 (duty to have due regard to House of Bishops' guidance on safeguarding children and vulnerable adults).

Financial Review

The results for each type of fund and its constituents are shown in Note 11 on page 18. In summary:

	Unrestricted General Fund	Unrestricted Designated Funds	Restricted Funds	Restricted Endowment Fund	Total of all Funds
	£	£	£	£	£
Balances at 1 January 2024	215,451	70,559	159,365	5,244	450,619
Net income/(expenditure)	(30,272)	2,274	(22,354)	-	(50,352)
Transfers between funds	-	-	-	-	-
Gains/(losses) on sale of investments	-	-	473	-	473
Increase/(decrease) in value of investments	1,754	1,732	2,640	121	6,247
Balances at 31 December 2024	186,933	74,565	140,124	5,365	406,987

The overall result is a net decrease in funds of £43,632 consisting of an excess of expenditure over income of £50,352 slightly offset by realised and unrealised gains on investment assets of £6,720.

The small increase in the value of investments is very welcome in view of the continuing global uncertainties and volatility in the markets. The PCC's policy for investments is to contain risk by investing in the funds of the Central Board of Finance of the Church of England actively managed by CCLA (Churches Charities and Local Authorities). The Trustee is a registered charity. The funds' manager supports the ethical and responsible investment policy of the Church of England Investment Advisory Group. Units chosen by the PCC are those of the Investment Income Fund, the objective of the manager being to provide a long-term total return comprising growth in capital and income. The PCC recognises responsibility to seek qualified advice when thought appropriate.

The PCC has total control over the use of those funds which are unrestricted apart from a Special Designated General Fund, balance £74,565 (2023: £70,559), where the greater part is the underlying investment (value £77,396 (2023: £75,664)) held by the diocese in its capacity as custodian trustee whose consent is required for sale in whole or part.

The PCC has considerable reliance on earned income, primarily from hiring of the Undercroft. The major project to replace the Walkway around the church, to remedy issues with water ingress meant that the Undercroft was out of use for some months during 2024 but with that project complete, and a full refurbishment of the Undercroft and kitchen, the space is now significantly improved and attractive to hirers. Total earned income from the Undercroft and the hiring out of garage and car parking spaces was £17,124, compared with £19,878 in 2023. General Fund receipts returned to a more normal level after the exceptional legacy receipt in 2023, and the General Fund outturn was a deficit of £30,272 (2023: surplus of £88,062). The PCC remains very conscious that the underlying position is not sustainable and continues to encourage all those on the Electoral Roll and connected with the church to review their giving. Despite that, Planned Giving was down by 4.7%, to £47,836 compared with £50,208 in 2023. Of the PCC's total gross income for the year of £92,231 (2023: £202,754), 9.6% (2023: 4.7%) arises from the government through tax reclaimed under Gift Aid thanks to donors enabling that reclaim.

<p>Major expenditure at St Andrew's in 2024 was the completion of the replacement of the external Walkway surface, re-roofing of flat roofs and refurbishment of the Undercroft kitchen. Slow progress was made with plans for a major overhaul of insulation and heating in the church involving the necessary Diocesan approval of the plans and obtaining the necessary faculty. The plans were finally agreed early in 2025 and contracted at a cost of £195,000. External grants of £25,000 have been secured from The Diocese of St Albans Net Zero Carbon Grant as the work is a flagship Diocesan eco-church project, and £25,000 from the City Churches Fund. An additional £20,000 is anticipated from the National Church's Net Zero Carbon Pilot & Innovation Scheme. The balance will be met from restricted Fabric Funds, General Fund and additional fundraising and grant applications. The PCC are conscious that use of investment assets adversely affects future dividend income and are seeking to balance the needs of today and ensuring the church is fit to meet the needs of the future. The lack of adequate heating regrettably once again prevented opening the church as a place of Warm Welcome during winter 2024; work started in March 2025.</p>
<p>At St Thomas', the main concern remains the assessment in early 2023 (referred to in both 2022 and 2023 Reports) indicating a need for underpinning the building, to remedy subsidence, at a very substantial cost. The first step is to safeguard the west window, on which definitive specialist advice is proving very challenging to obtain despite regular contact with the Architects. Monitoring has continued on the cracks in the West wall and elsewhere around the building. The building continues to move and at some point in the not too distant future is likely to need to be closed until remedial work is completed. The PCC continues to take advice from consultant surveyors and the Architects. Repairs to the murals, on the condition of which a full survey was undertaken in 2020, and for which funds raised by the Friends of St Thomas are available (£20,603 of the total balance of £22,486 is ring-fenced for preservation of the murals), remain deferred until there is a clear picture of the work required on the walls and the building as a whole.</p>
<p>Expenditure continues to be impacted by inflationary pressures and energy cost increases. The investment in efficient heating at St Andrew's and upgrade of electrical systems are intended to reap efficiency benefits in the medium to long term.</p>
<p>The PCC's policy for freely available cash reserves for the General Fund is that they should equate with not less than 3 months of normal annual expenditure, ie. approximately £28,000. At 31 December 2024 these stand at c.£108k. The legacy received in 2023 provided a cushion in 2024, but the preferred and longer term solution is to secure a consistently higher level of General Fund income. A campaign to move to the Parish Giving Scheme is planned for 2025.</p>
<p>The PCC is grateful to the many volunteers and the local community for their support of the work of the church in the parish.</p>

Statement of Responsibilities of the Members of the Parochial Church Council

The PCC is responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the PCC to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity as at the balance sheet date and of its incoming resources and application of resources for the financial year. In preparing these financial statements, the PCC are required to:

1. select suitable accounting policies and apply them consistently;
2. observe the methods and principles in the Charities SORP;

3. make judgments and estimates that are reasonable and prudent;
4. state whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
5. prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The PCC is responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the PCC and signed on their behalf by:

Revd Chris Kilgour – Vicar

Independent Examiner's Report to the Trustees of the Parochial Church Council of Northaw and Cuffley

I report to the members of the PCC (who are the charity's Trustees) on my examination of the accounts of the Charity for the year ended 31 December 2024 which are set out on pages 11 to 19 and which have been prepared on the basis of the accounting policies set out on pages 13 and 14.

Respective Responsibilities of Trustees and Examiner

As members of the PCC, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all the application Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. Accounting records were not kept in respect of the Charity as required by Section 130 of the Act; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the year ended 31 December 2024

1. Accounting Policies

These financial statements are prepared on a going concern basis, under the historical cost convention as modified by the revaluation of certain assets, which are measured at fair value through the Statement of Financial Activities. The financial statements include all activities for which the PCC is legally responsible; the activities of informal gatherings of church members and groups that owe their main affiliation to another body and are excluded.

These financial statements have been prepared in accordance with The Church Accounting Regulations 2006, the 'Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)' ('the Charities SORP'), with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland ("FRS 102") and with the Charities Act 2011. The charity meets the definition of a public benefit entity as set out in FRS 102.

The Charities (Accounts and Reports) Regulations 2008 (the '2008 Regulations') requires charities to prepare their accounts in accordance with 'Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005' but this accounting standard has since been withdrawn and has been replaced by the Charities SORP mentioned in the preceding paragraph. The charity has prepared these financial statements in accordance with the new Charities SORP; this departure from the 2008 Regulations is believed to be necessary for these financial statements to give a 'true and fair view'.

The principles adopted in the preparation of the financial statements are set out below.

Going concern

The PCC have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The PCC have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the PCC have considered the charity's forecasts and projections and the possible implications should projected income and / or expenditure vary unexpectedly. The PCC have concluded that there is a reasonable expectation that the charity has adequate resources to continue to operate for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

Funds (See Note 11)

Unrestricted funds, which include those designated by the PCC for a particular purpose, are not subject to any restrictions regarding their use and are available for application for the general purposes of the PCC.

Restricted funds, including the income they earn, are those which must be expended on the restricted purposes defined by the donor. *Endowment fund* is a fund where the capital must be retained and the income used in accordance with the donor's wishes.

Income

Voluntary income and sources of capital:

Collections are accounted for when received by, or on behalf of, the PCC.

Donations under Gift Aid, together with the related income tax reclaimable, are accounted for at the time the donation is received.

Legacies receivable are accounted for when there has been evidence of death, entitlement, a valid will and probability of receipt including satisfaction of no requirement to satisfy claims upon the estate of the deceased.

Grants receivable are accounted for upon notification of entitlement.

Other income:

Fundraising and social events' income is accounted for gross and according to the dates of those activities.

Lettings are accounted for according to the time for which they relate.

Investment income - dividends and interest - is accounted for when receivable.

Expenditure

All expenditure is accounted for when the legal liability (or moral obligation in the case of the Parish Share) arises: where it relates to a period of time the expense is spread over that time.

In respect of the Parish Share, all amounts due are included in the SOFA.

Fixed Assets

Tangible:

Consecrated land and beneficed property is excluded by section 10(2)(a) of the Charities Act 2011.

Moveable church furnishings held by the Vicar and Churchwardens upon trust for the PCC and which require a faculty for disposal are inalienable property, and are listed in the churches' inventories, which can be inspected on request. For inalienable property acquired prior to 2000 there is insufficient cost information available and therefore such assets are not valued in the financial statements.

Costs incurred on consecrated land and buildings and on repair of moveable church furnishings acquired before 2000 is accounted for as expended in the year.

Individual items of furniture, fixtures, fittings and equipment costing £1,000 or less are accounted for as expenditure of the year and not valued in the Balance Sheet.

Assets are depreciated over their anticipated useful life on the straight line basis at the following rates:

Garages - 6.67% / Keyboard - 25% / Photocopier - 25% / Audio-visual equipment - 25%

Investments:

Investments are included in the Balance Sheet at bid (selling price) value on 31 December.

Stocks

All stocks of sanctuary and other items held on 31 December are not considered material in amount and are not valued for accounting purposes.

Cash Flow Statement

No Cash Flow Statement has been prepared, in line with the exemption conferred by the Charities SORP.

Tax

No tax is payable on the income of the PCC.

Critical accounting estimates and areas of judgement

The PCC do not consider that there are any material sources of estimation or uncertainty at the Balance Sheet date that could result in a material adjustment to the carrying values of assets and liabilities in the next reporting period, pending clarification of the scope and cost of works required to remedy subsidence identified in 2023.

PCC of Northaw & Cuffley

Note 12 Acting as agent

On occasion the charity receives money on behalf of other entities, which it banks and then pays out to these entities.

This income is received as agent for these other entities and the income, and the related payments, are excluded from the Statement of Financial Activities; any money that has not been distributed by the year end is recognised as a creditor.

During the year, the charity acted as agent for the Diocese of St Albans and for organists and vergers at weddings and funerals. In that capacity the PCC:

a. received £3,297 (2023: £2,814) and paid £2,532 (2023: £2,128)

b. at the year end the PCC owed £540 (2023: £686) to the Diocese of St Albans.
